Data regarding personal injury collisions is recorded by Sussex Police in accordance with the DfT Stats 19 requirements. The data is supplied to SSRP by Sussex Police for use in monitoring and planning. While every effort is made to ensure that this data is accurate, it is subject to change should further information become available.

This data may not be fully validated and while every effort is made to ensure it's accuracy any statistics provided may not match those published elsewhere.

SSRP does not hold collision data where there are no recorded casualties or the incident has not been reported to Sussex Police.
